

Reality Check

United Way  of Perth County

Check the box for the person who should receive help. Choose only one. After making your choice, please read the other side.

- A 9 year old child home alone and vulnerable during after school hours.
- Provide a woman and her children safe & secure housing to escape abuse.
- A one income family of four faced with lay off and increasing debt.
- A teen coping with developmental or physical disabilities.
- A small child starting his day hungry – unable to concentrate at school.

Reality Check

United Way  of Perth County

If you found it difficult to choose who should receive help, giving “the United Way” is right for you!

When you give to the United Way, you’re helping thousands of individuals with different needs throughout the community. United Way supports 35 health and human service programs throughout Perth County.

Please visit our *Meeting Community Needs* tab above for information about the impact of your gift to the United Way.
